

CARRANZA'S MOVE WILL NOT END MEDIATION PLANS

Washington, May 5.—Refusal of Gen. Carranza unconditionally to participate in mediation and withdrawal of the invitation so to participate by the mediators will not end attempted mediation. This was learned from A. B. C. mediators.

It will, however, restrict their endeavors to obtain participation from Huerta and his followers in a plan that can later be submitted to all Mexico, Carranza included, to restore peace and constitutional government. They will now be forced to take cognizance of the initial cause of the break, the insult to the flag and the refusal to salute it in apology.

Today is a national holiday in Mexico and officials are fearful of anti-foreign outbreaks. It is the anniversary of the battle of Puebla when in 1862 the Mexican army, under Porfirio Diaz, crushed the French advance on Mexico City.

Vera Cruz.—Special train bearing 500 American refugees said to have left Mexico City last night.

New Orleans, La.—Charge Nelson O'Shaughnessy arrived here today on the U. S. gunboat Yankton. Will probably leave at once for Washington.

El Paso, Tex.—That the constitutional forces will be in possession of Saltillo and Tampico and prepared for final attack on Mexico City within five weeks prediction made at constitutional headquarters in Juarez.
